Outline

1. About GIZ
2. Relevant Plans and Programs

GIZ portfolio and impacts

- Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH is a service provider in the field of international cooperation for sustainable development and international education work
- GIZ is a federally owned enterprise
- GIZ has over 50 years of experience in a wide variety of areas, including economic development and employment promotion, energy and the environment, and peace and security
- GIZ uses a wide range of instruments and networks to flexibly and innovatively create value for its commissioning parties and to empower people to shape their own development processes

The projects in the Philippines are funded by:

- German Federal Ministry for Economic Cooperation and Development (BMZ)
- German Federal Ministry for the Environment, Nature Conservation, and Nuclear Safety (BMU)
- EU
- Private Sector

Relevant plans and programs

On-going preparations for the **Sustainable Coastal Protection through Biodiversity Conservation in Coastal Ecosystems Affected by Typhoons in the Philippines (ProCoast) Project** supported by the BMU International Climate Initiative

On-going preparations **Rethinking plastics – circular economy solutions to marine litter Project** supported by the European Union and the German Federal Ministry for Economic Cooperation and Development (BMZ)

GIZ will be leading the consortium of CTI-CFF Development Partners and Collaborators for the development of the **Solutions on Marine and Coastal Resilience Project proposal** aiming support from the German Federal Government
