

Executive Director

**CORAL TRIANGLE
INITIATIVE**

ON CORAL REEFS, FISHERIES AND FOOD SECURITY

Role Based in Manado, Indonesia Lead a Collaborative Regional Secretariat Attractive Executive Remuneration Package

The Coral Triangle Initiative on Coral Reefs, Fisheries and Food Security (CTI-CFF) was established by the Leaders of the Republic of Indonesia, Malaysia, Republic of the Philippines, Independent State of Papua New Guinea, Solomon Islands and Democratic Republic of Timor Leste in late 2009. These countries are working together to sustainably manage their marine and coastal resources in support of food security, sustainable livelihood development and biodiversity conservation. The Coral Triangle countries are working towards the establishment of a Regional Secretariat, based in Manado, Indonesia, to support and coordinate implementation of the CTI-CFF.

The Executive Director will be a critical leadership role focused on leading the functions and responsibilities of the Secretariat from its inception through strategic leadership and management of the Secretariat in representing the CTI-CFF regionally and internationally, and developing strategic partnerships and networks, formal liaison with the national coordinating committees of Coral Triangle member countries, policy development, program planning, and organisational development and management of the Secretariat.

The Executive Director must be a national of a CTI-CFF member State (the Republic of Indonesia, Malaysia, Republic of the Philippines, Independent State of Papua New Guinea, Solomon Islands and Democratic Republic of Timor Leste).
